

Invitation to work with your NW London Medicines Optimisation Team

We are looking for doctors, nurses and pharmacists working in NW London to collaborate with us on optimising medicines use

If you are interested, please contact the Medicines Optimisation Team on nhsnwl.mpt@nhs.net

The NW London medicines governance structure is changing. We have a number of new opportunities, which focus on:

- Supporting prescribers to consistently prescribe high quality evidence based medicines
- How we communicate about medicines with our patients and population
- Development of evidence based guidelines
- Transforming collaboration with our community pharmacies

Medicines Value Group

Medicines Safety Group

Mental Health Medicines Group

Whilst no previous experience is required, working on medicines groups would be an advantage.

If you would like to express an interest or would like further information, please email nhsnwl.mpt@nhs.net or contact your Lead Pharmacist.

What preparation is needed?

- Read the meeting papers
- Consult with colleagues in your organisation
- Attend the meeting and represent the views of you and your colleagues

What is the time commitment required?

The numbers of meetings per year vary and can be from monthly to quarterly, depending on your area of interest and chosen medicines group

How long is the participation?

Preferably 3 years depending on the group and this can be reviewed annually

What are the benefits of joining the newly formed medicines groups?

Joining the medicines optimisation groups offers you the opportunity to:

- ✓ Contribute to improving the way medicines are used in the NHS across NW London
- ✓ Share learning across organisations
- ✓ Increase your professional network across NW London
- ✓ Contribute to your personal CPD
- ✓ Network with like-minded healthcare professionals on medicines use across NW London
