

Share your experiences of lung cancer care at our hospitals

We want to understand the experiences of patients who have recently attended lung cancer services at Imperial College Healthcare NHS Trust, and those who are supporting them. We know we can do more to support people, and the insights we learn will inform future improvement work at the Trust.

Who can take part?

- If you have been **diagnosed with, or treated for, lung cancer at Hammersmith, Charing Cross or St Mary's Hospitals within the last 12 months.**
- or
- If you have **supported someone important to you** who meets the above criteria. For example, you have attended appointments with them or helped them understand information.

We want to speak to people from a range of backgrounds, including underrepresented communities and those with neurodiversity. We can provide an interpreter and accommodate different individual needs and preferences.

What will it involve

You can get involved in a way that makes you feel most comfortable - having a chat over the phone, a video call or in person. The conversation will last no more than 60 minutes. As a thank you, you will receive a **£25 "One4all" voucher** valid at a range of stores.

Apply by 11.59pm on Tuesday 9 April to get involved

Please apply via the link below or call if you prefer to apply over the phone:
