

## **Autumn/Winter 2025 COVID-19 Vaccination Campaign - where to get your COVID-19 vaccine**

### **Walk-in services**

No appointment is required to use the walk-in service, but patient is advised to contact the vaccination site in advance to confirm when the site is planning a COVID-19 vaccination clinic.

Patient does not have to be registered with a GP to use our walk-in services and they do not need to bring any identification.

### **Where to get the COVID-19 vaccine**

For your information, the list of North West London sites offering COVID-19 vaccination via national booking system or walk-in can be accessed here: [North west London vaccine sites :: North West London ICS](#)

**Please also note that not all sites offer vaccination to children**, so patients are advised to contact the site in advance to check this.
