

## **LMC elections – nominate yourself by 5:00pm, 3 June**

This summer is your opportunity to stand for your area's local medical committee (LMC), learning new skills and representing local GPs. Please watch Londonwide LMCs' short animation explaining [why should you stand for your LMC](#), which is part of their regularly updated [elections page](#). You can also [share the animation and a short message via WhatsApp](#).

Dr Lisa Harrod-Rothwell, CEO, Londonwide LMCs says: "If you are the type of person who likes things to change when they are broken, if you don't accept people saying 'that's just the way it is, we have to live with it', and you want to make a difference to your colleagues and your patients, please stand for your LMC. You can raise and resolve all sorts of issues such as interface and pathways that are impacting on your ability to do your job."

LMC membership is for every GP regardless of their experience or their role, whether they are a partner, employed, locum, new entrant or a trainee. Contact [lmc-elections@lmc.org.uk](mailto:lmc-elections@lmc.org.uk) if you have any queries about the LMC membership or the elections.
