<p>Enhanced Occupational Health assessment</p> <p><b>NPL Doctors and Dentists</b></p>	<p>Specialist tier for the management of those performers that have Blood Borne Viruses</p> <p><b>All staff working in Primary Care settings (including trainees)</b></p>	<p>Urgent and longer term advice</p> <p>on exposure to potential Blood Borne Viruses</p> <p><b>All staff working in Primary Care settings (Including trainees) HCWs</b></p>	<p>Virology, vaccinations and immunisations</p> <p><b>NPL Doctors and Dentists</b></p>
---	---	---	--

Funded by the London ICBs

**Enhanced Occupational Health assessment**  
To be carried out, with their consent, on referral from the NHS England Medical Directorate, performer’s appraiser, performer’s GP or self-referral. Advice and report in respect of performer list practitioners in relation to their duties or to support their health, safety and wellbeing.

**Virology testing, vaccination for BBV and immunisation**  
For performers on the NPL who are not already immunised. To include Hepatitis B, Varicella, Tuberculosis (BCG), Diphtheria, Pertussis and Tetanus, Measles Mumps and Rubella.

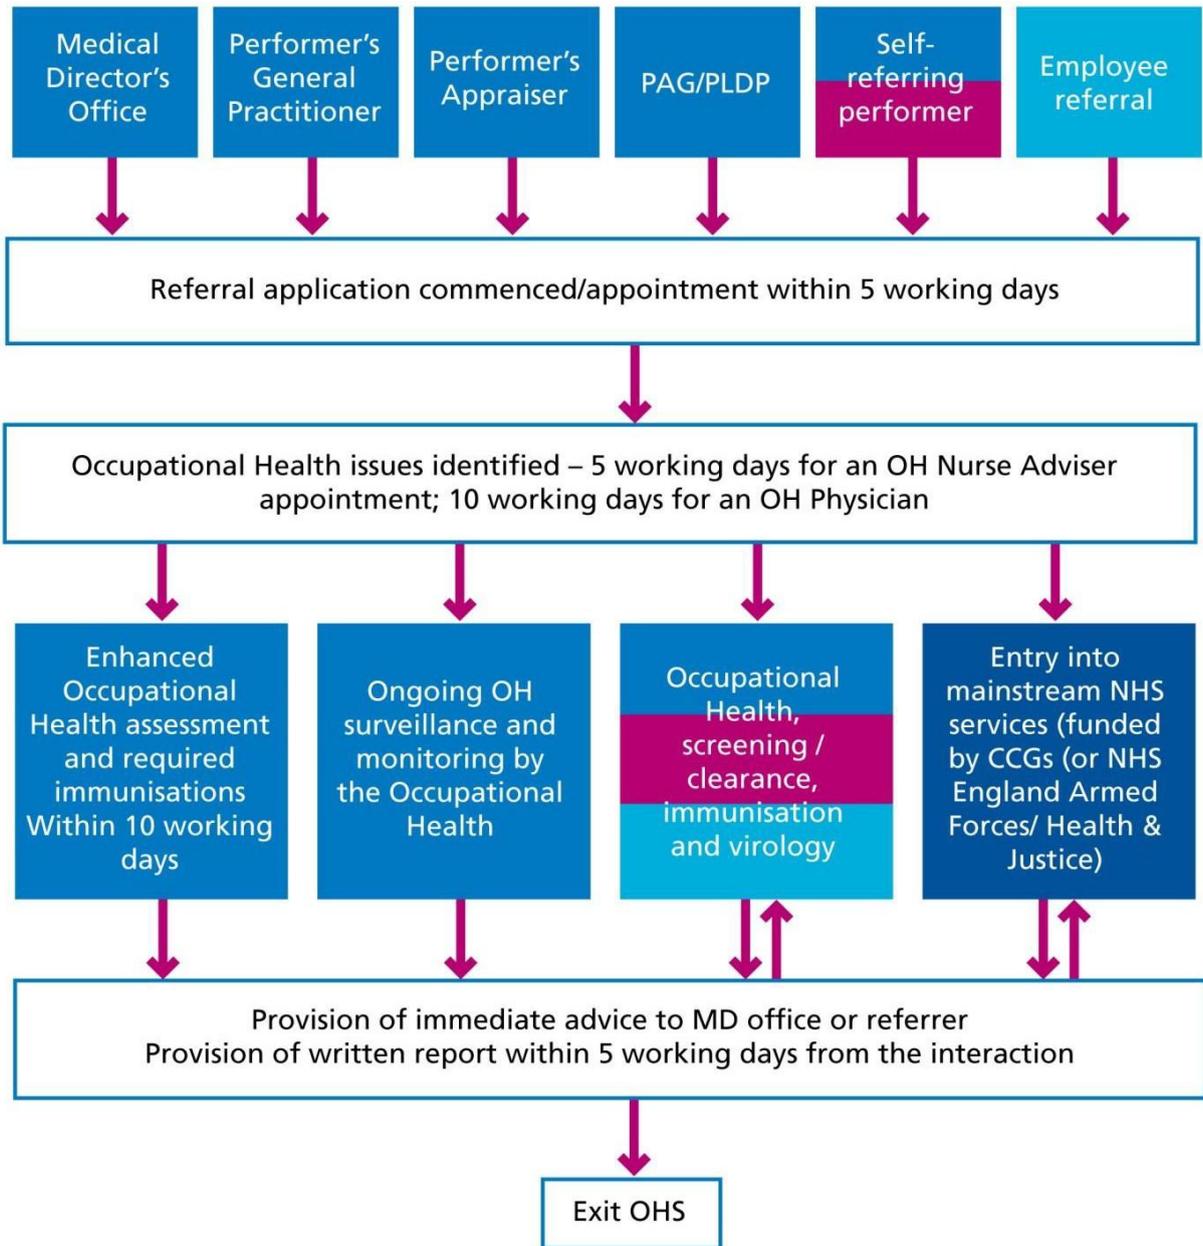

**Management of staff on exposure to and working with blood borne viruses**

**a) Specialist tier for the management of those performers who have a blood borne virus (BBV).**  
If a performer/HCW has a BBV, that requires a referral to a specialist tier of OHS, NHS England regional team Medical Directorate will be informed in advance of the cost of this service recognising the need to protect the confidentiality of the individual concerned.

**b) Urgent and longer term advice to all staff working in primary care settings (including trainees) on exposure to potential blood borne viruses** (e.g. through contact via needle stick injuries or contact with mucus membranes) as required.
