

UKHSA London Region: We're making changes on 16 April 2024

New North London Health Protection team and new contact details

What's changing and when?

- **On 16 April our two north London teams (NWL and NENCL) are joining to become one North London health protection team,** to work alongside our South London health protection team and delivering the same high-quality service.
- **At the same time, we're changing email addresses, so both our North London (NL) and South London (SL) teams will use the same new email addresses:**
 - london.region@ukhsa.gov.uk
 - phe.london.region@nhs.net for PII (patient identifiable information)
- **Our phone number will stay the same 0300 30 30 450.** Please use this number, during the day or out of hours, and regardless of where in London you are calling from.
- Our new contact details are listed on the next page.
- Our updated contact details will be updated on gov.uk: [Contacts: UKHSA health protection teams - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/contacts-ukhsa-health-protection-teams)

What do you need to do ?

- Please use our new email addresses from 16 April, regardless of where you are contacting us from.
- Please continue using our phone number 0300 30 30 450
- Please update any material which includes our contact details e.g., websites, guidance
- Please share these changes with your colleagues

Thanks very much, as always if you have any questions please contact us.
