

STEP 1 - ALL PRACTICES TO COMPLETE

Regardless of which of the below scenarios your practice intends to sign-up for and **before** reviewing anything on CQRS, NHSE have requested that all practices submit the 'General Practice Seasonal Vaccination Programme 2026-27: System access and Requirements' form. This sets up vaccination systems access for COVID-19 vaccination supply and ordering on the Federated Data Platform (FDP) plus access to the National Booking System (NBS) for COVID-19, flu and RSV vaccinations.

STEP 2 - PICK ONE SCENARIO AND COMPLETE THE NECESSARY ACTIONS
