

**ANYONE CAN BE AFFECTED BY BREAST CANCER,
SO IT'S IMPORTANT TO BE BREAST AWARE.**

**Join our Train the Trainer programme and help us deliver
breast awareness information to your community.**

**At our 1-day Train the Trainer in-person workshop
or via our online eLearning course you'll....**

- Learn some key facts about being breast aware, breast cancer symptoms and the breast screening process
- Think about how you'll plan and develop your own training
- Gain top tips to help you deliver this information in an engaging and informative way
- Receive our Train the Trainer workbook and have ongoing access to other resources that can help support you in your work
- Receive a certificate of completion

**For more information and next steps for becoming
a member of our Train the Trainer programme please
contact trainthetrainer@breastcancernow.org**

Everyone affected by breast cancer can turn to us for support. For breast cancer care, support and information call us free on **0808 800 6000** or visit **breastcancernow.org**
