

**PHYSICAL ACTIVITY
CLINICAL CHAMPIONS**

London - Physical Activity Clinical Champion Training

Working in partnership with the Office for Health Improvement and Disparities, London, we are delighted to announce a series of engaging introduction to the Physical Activity Clinical Champions PACC sessions, focusing on how brief physical activity conversations can be integrated into everyday practice to improve patient outcomes.

This session will be delivered by an expert Sports and Exercise Medicine Registrars and covers:

- Why physical activity matters in clinical care
- How to confidently deliver brief interventions
- Practical tools you can start using immediately with your patients

This is an accessible, evidence based session aimed at all clinicians looking to strengthen their preventative practice and support patients to move more. Everyone is welcome to attend.
