

Webinar: changes to the routine vaccination schedule

Recording

The [webinar recording is available on YouTube](#) as an accessible version with subtitles.

Slides

The [slides from the webinar](#) can be accessed on the find public health resources website.

Useful resources

GOV.UK: [Measles, mumps, rubella and varicella \(MMRV\) vaccination programme](#)

Documents relating to the measles, mumps, rubella and varicella (MMRV) vaccination programme currently include:

- the [bipartite letter](#) from UKHSA and NHSE of 31 October
- an [MMRV training slideset](#) for healthcare practitioners
- [guidance for health practitioners](#) on implementing the MMRV vaccination programme
- updates to the Green Book ([measles](#), [mumps](#), [rubella](#), and [varicella](#))
- public-facing materials (including a [guide for parents and carers](#) of children offered the MMRV vaccination and [leaflet on vaccines and porcine gelatine](#))

Other resources will be added to this page to support the launch of the new programme.

Public health resources

<https://find-public-health-resources.service.gov.uk/>

The public-facing immunisation resources – including posters and leaflets – will be uploaded and able to order from this page.
