

Education Professionals supporting parents/children from ethnic minority groups with neurodevelopmental disorders!

We are asking you to take part in a
survey and/or online focus group
meetings/interviews.

We are looking to understand the experiences of
families from ethnic minorities who have a child
with a diagnosis or suspected diagnosis of a
neurodevelopmental disorder e.g. autism, ADHD,
OCD, Tourette's.

We are looking for education professionals

e.g.,

with experience working with ethnic
minority groups in their profession, in
relation to supporting
neurodevelopmental disorders

*We hope that our findings will
help to improve the way health
and social care is delivered.*
